2026 BILLS

HB2076 - School safety; employee certification; policies
Establishes the "Save our children school safety program," which authorizes eligible school employees to carry a concealed firearm on school grounds under specific written policies. To qualify to carry a firearm, employees must complete approved training programs covering state law use-of-force justification, firearms safety, scenario-based competency, and tactical emergency casualty care.

HB2763 - Shooting range; closure; conditions
Adds a requirement that the Arizona Legislature adopt a joint resolution approving the closure of a shooting range before the Arizona Game and Fish Commission may close the facility.

HB2903 - Social credit; use; prohibition
Prohibits the State of Arizona from requiring a bank or financial institution to use a social credit score when evaluating whether to lend money to a customer.

SB1012 - Concealed weapons; notice; repeal
Preserves the right of permit holders to carry concealed handguns in restaurants and on-sale retail premises unless a compliant "no firearms" sign is posted, and it explicitly removes any obligation for restaurant licensees or their employees to verify compliance with concealed carry statutes beyond the presumption of legality.

SB1053 - Concealed weapons permits; fees
Amends state law to establish concealed weapons permit fees for residents at ten percent of the nonresident fee and updates procedures for permit application, renewal, suspension, and reciprocity.

SB1058 - Firearms transactions; merchant codes; prohibition
Prohibits payment card networks and covered entities from requiring, incentivizing, or assigning merchant category codes that distinguish firearm retailers, and it bars government entities from keeping private firearm ownership registries.

SB1068 - Disruption; educational institution; concealed weapon
Bars university, college, or community college governing boards from enacting or enforcing rules that prohibit concealed-weapon possession by permit holders or the lawful transportation or storage of firearms under Arizona law.

SB1069 - Prohibited weapons; muffling device; repeal
Repeals the prohibition on firearm muffling devices (such as suppressors)
