UNENFORCEABLE FEDERAL LAWS**

This bill, which was introduced by Representative Biasiucci, prohibits the state and its political subdivisions (cities, counties, etc.) from using any personnel or financial resources to enforce, administer, or cooperate with any act, law, treaty, order, rule, or regulation of the United States government that is inconsistent with Arizona firearms laws. Signed by the governor April 6, 2021.

HB2551 MISCONDUCT INVOLVING WEAPONS; PUBLIC PLACES

This bill, introduced by Representative Kavanaugh, would exempt CCW permit holders from the prohibition on entering state and local government controlled property while armed.

HB2810 CIVIL ASSET FORFEITURE; CONVICTION; PROCEDURES

This bill, which was introduced by Representative Grantham, reforms the state's civil asset forfeiture laws and generally requires a criminal conviction before personal property can be seized. Although technically not a firearms bill, gun owners are often the target of the state's asset forfeiture efforts. Signed May 5, 2021.

HB2840 MISCONDUCT INVOLVING WEAPONS; SCHOOL GROUNDS

This bill, introduced by Representative Parker, would remove the requirement that a firearm must be unloaded when secured in a vehicle on school grounds.

SB1382 ESSENTIAL BUSINESSES; FIREARMS; AMMUNITION; SALES

Introduced by Senator Rogers, classifies ammunition and fire-arms related businesses as "essential" during a state of emergency and provides state-level liability protections to those businesses similar to those in the federal Protection of Lawful Commerce in Arms Act. Signed May 7, 2021.
